MEMO: To All Bryston Customers

SUBJECT: Bryston 4B Cubed – Value Award 2017!

It's time to announce the 'SoundStage Network's Products of the Year' -- the best of the best products we reviewed in 2017.

There are three main categories of POTY award:

1. Individual,
2. Outstanding Performance,
3. Exceptional Value.

Exceptional Value awards are presented to components whose sound quality is usually associated with products costing far more.

Bryston 4B3 stereo/mono amplifier:

"Has virtually faultless sound and with the added ability to drive just about any speaker with ease.

The 4B3 may well be the best value today in a high-end, high-powered, solid-state amplifier."
